Thank you for your interest in registering your child at *The Little School* for the 2023-2024 school year. Our classes are carried out in a warm and nurturing yet structured environment. Our teachers plan a widely varied program, which includes a circle/learning time, handcrafts, music, language arts, stories, and exploration at different “learning centers”, art, and indoor and outdoor play. Developmentally appropriate academics are taught in a “child friendly” manor to inspire and encourage a love of learning.

Activities at The Little School encourage group participation and individual creativity. Our goal is to help each child develop greater independence, social competence, and self-esteem by respecting their individual personalities and learning styles. Our curriculum also includes bible stories and songs where we share with the children how much God loves us all.

We will have (1) two-day/ two-year old class, which will be held on Mondays and Wednesdays.

We are planning to have (2) three day/ three -year old classes with the option to also attend a fourth day. Both classes will be held on Tuesdays, Thursdays and Fridays. The optional day is Wednesday and will be a combination of children from both three-year-old classes.

We are planning to have (2) five day/ four-year old classes.
